Course Description:

In this course, the student is taken from zero experience all the way to a guaranteed job opportunity with Gulf Air Academy in less than 2 years.

The minimum requirement for getting a job as a pilot in any airline is always demanding (1500 Flight hours average). As a result, most inexperienced pilots become flight instructors right after getting their licence in order to get more flying hours.

The immediate job placement we offer is because our pilots are trained with the highest standards and are ready to fulfil the job, without the need for any extra experience as usually requested by other hirers.

At the end of this course, you will get:

- ✓ Integrated Airline Transport Pilot Licence
- ✓ Flight Instructor Rating
- ✓ Job Placement with Gulf Air Academy

Upon completion of this course, the student will start his career right away and is offered a job in Gulf Air Academy as a flight instructor.
