

GULF AIR ACADEMY

“ATPL Modular – for Cabin Crew” Course

Who are We?

- Gulf Air Academy is the first **EASA APPROVED** Arabic-European Aviation Training Organization in Europe, licenced EL-ATO-135.
- **+40 Years** experienced Multinational crew, speaking **+7 languages**.
- Providing Pilot Training courses + Aviation Degrees together.
- The only flight academy that is located in the heart of **Athens, Greece**. With state-of-the-art facilities, material & training methods.
- **Accepting all the international students** (all countries & nationalities) providing all the support & necessary documents needed for the European Student visa process.

Course Description:

From our expertise and market studying, we have found no other training organization that is dedicated & gives priority -Based on the roster & off days- for the Active Cabin Crew member who are keen to transform into a Flight Deck Crew.

A costume-designed course for the existing Cabin Crew member to transform into a Flight Deck Crew.

This course is tailored for each individual to fit his/her time-line while keeping the progress within the EASA requirements.

The student joining this course will have a personally designed flight and ground training.

This Program is made of a combination of courses and ratings which all together qualifies the joiner to the Airline Transport Pilot Licence.

*The below table is for reference; all details, durations and phases will be tailored for each individual.
