

GULF AIR ACADEMY

“Night Rating” Course

Who are We?

- Gulf Air Academy is the first **EASA APPROVED** Arabic-European Aviation Training Organization in Europe, licenced EL-ATO-135.
- **+40 Years** experienced Multinational crew, speaking **+7 languages**.
- Providing Pilot Training courses + Aviation Degrees together.
- The only flight academy that is located in the heart of **Athens, Greece**. With state-of-the-art facilities, material & training methods.
- **Accepting all the international students** (all countries & nationalities) providing all the support & necessary documents needed for the European Student visa process.

Course Description:

A student is introduced to night training during one of the last phases of his training. He will be trained on his flying skills at night for a minimum of 5 hours of night (flying) flight training including at least 1 hour of cross-country navigation and 1-hour solo, which is a mandatory requirement according to EASA. The training takes 2 to 3 days to complete. Which can vary based on the student's skillset.
